## LIMITED 15-YEAR THERMAL WARRANTY ASSURANCE

### FOR PRODUCTS MANUFACTURED BY: PACTIV BUILDING PRODUCTS

Platinum Series Insulation offers a continuous layer of thermal and air infiltration protection and is among the highest-performing insulation products available. These proven products are manufactured for Alside by Pactiv Building Products, a leading manufacturer of siding underlayment.

To provide you complete peace of mind, this reliable organization stands behind their product with a Limited Thermal Warranty Assurance.

#### Warranty Assurance Coverage

Pactiv Building Products, hereby warrants that for a period of 15 years, commencing with the date of manufacture, the actual thermal resistance of PLATINUM SERIES INSULATION® will not vary by more than ten percent from its published R-value. If the PLATINUM SERIES INSULATION is determined by sampling and tests (conducted as provided below) to not meet warranty value, Pactiv will either deliver to the owner ("Owner") of the building on which the PLATINUM SERIES INSULATION was initially installed, a quantity of equivalent Pactiv product to replace the non-performing PLATINUM SERIES INSULATION, or, at Pactiv's sole discretion, refund to the OWNER the original purchase price of the PLATINUM SERIES INSULATION. THE WARRANTY STATEMENTS CONTAINED IN THIS LIMITED WARRANTY SET FORTH THE EXPRESS WARRANTIES EXTENDED BY PACTIV BUILDING PRODUCTS AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. THE PROVISIONS OF THIS WARRANTY SHALL CONSTITUTE THE ENTIRE LIABILITY OF PACTIV BUILDING PRODUCTS AND SHALL BE THE PROPERTY OWNERS EXCLUSIVE REMEDY FOR BREACH OF THIS WARRANTY. PACTIV BUILDING PRODUCTS SHALL NOT BE LAIBLE TO THE

PROPERTY OWNER FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY.

Some states do not allow the exclusion or limitation of implied warranties and incidental or consequential damages so the above limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

#### Conditions

Pactiv obligations under this Warranty are applicable to product manufactured after September 1, 2004, and will only take effect if installed in strict accordance with all Pactiv's applicable specifications, recommendations and guidelines which were in effect at the time of installation. This Warranty shall be void if, in Pactiv's judgement, the PLATINUM SERIES INSULATION'S performance has been impaired by either damage or alterations (lacking prior Pactiv written approval) to the PLATINUM SERIES INSULATION.

#### Exclusions

Pactiv does not warrant the compatibility of any other product with the PLATINUM SERIES INSULATION and does not assume any liability for any incidental or consequential damages, including (but not limited to) incremental heating, cooling or similar costs and any other harm to persons or property.

#### Foam Siding Backer Testing

All sampling shall be conducted in accordance with sampling procedures prescribed by Pactiv and samples of the PLATINUM SERIES INSULATION shall only be taken in the presence of an authorized Pactiv representative. Testing of the PLATINUM SERIES INSULATION samples shall be in accordance with ASTM Test Method C 518, or the then closest Pactiv-approved effective equivalent thereof. PLATINUM SERIES INSULATION samples shall be conditioned to equilibrium prior to testing. All sampling and testing costs (including but not limited to costs of PLATINUM SERIES INSULATION covering remove and replacement) shall be at the Owner's sole expense.
