MULTIPLE TONES WITHIN EACH PANEL

Just as the passing seasons leave subtle shadings in the grain of real wood, our special multi-tone coloring process recreates the authentic beauty of hand-brushed stained cedar. Varied shades and densities of tones, easily seen in some repeating patterns that give each panel its own distinctive appearance. Cypress Creek’s unique variegated coloring and tempting colorways ensure beautifully rich depth and natural elegance of genuine cedar planks.

The Look of Genuine, Hand-brushed Stained Cedar

— CYPRESS CREEK VARIEGATED SIDING —

The ALSIDE EXTERIOR DESIGN SYSTEM™

Coordinated Easy-Care Products

Above is an example of the multiple tones or colors within each panel which gives Cypress Creek Variegated its dimensional hand-brushed look of rich stained cedar.
A CLASSIC EXPRESSION OF STYLE

At Alside, our commitment to you surpasses the ordinary. For 70 years, we’ve provided homeowners with high-quality, innovative exterior products. Our pride in workmanship and steadfast path to perfection leads the industry. Our selection of the highest-quality raw materials, coupled with state-of-the-art design and manufacturing methods, allows you to choose siding products unsurpassed in the industry. As a result of this continuing dedication to you, we proudly offer Cypress Creek Variegated Siding from Alside.

AN ECO-FRIENDLY CHOICE

As a sustainable product with a long service life, vinyl siding is environmentally responsible in several ways. In addition to conserving wood and other natural resources often used for building materials, vinyl siding helps reduce the deposit of paint, stain and maintenance-related materials into the solid waste stream because it never needs to be painted.

PERFORMANCE POWER

Cypress Creek embodies the characteristics that have made vinyl the most popular siding choice today – durability, maintenance freedom and long-term beauty. And, because the only maintenance vinyl ever needs is a good rinse with a garden hose, the beauty of Cypress Creek Variegated Siding remains intact over time. Additionally, its premium thickness is designed to help hide existing wall imperfections to provide outstanding beauty.

QUICK Specs:

- 0.048” premium thickness for durability (nominal)
- 3/4” mid-panel projection for beautiful shadow lines
- Strengthened locking system for increased rigidity
- Fully rolled over nailing hem for maximum wall attachment
- Available in Double 4”, Double 5”, Double 5” Dutch lap and 7” Board and Batten
- 4 multi-toned colors

Architecturally pleasing and structurally sound, Cypress Creek Variegated Siding surrounds your home with strength, durability and maintenance-free quality. Cypress Creek – a proven vinyl siding product that delivers solid performance season after season.

SETTING A STANDARD TO MATCH

Like all Alside products, Cypress Creek is manufactured using advanced production and quality management processes. The result is siding that meets the highest standards for material and manufacturing excellence. Cypress Creek Variegated Vinyl Siding meets existing standards for strength, durability, and maintenance freedom.

THE STRENGTH LIES WITHIN

By choosing Alside Vinyl Siding, you have invested in a versatile, durable and enduring siding product for your home. Cypress Creek Variegated Vinyl Siding’s practicality and combination of features provides you with a distinctly strong siding coupled with unsurpassed performance and beauty. At Alside, we extend the possibilities – giving you product choices to match your personal taste and lifestyle.

COLOR-COORDINATED CHOICES

Cypress Creek Variegated Vinyl Siding is available in four multi-toned colors, each representing the genuine look of stained cedar. A unique manufacturing process provides a non-repeating woodgrain pattern for a realistic wood-like appearance. Available in D4”, D5”, D5” Dutch lap, and 7” Board and Batten, to accentuate your home’s architectural style.

MULTI-TONED COLOR COLLECTION
