OUTSTANDING BEAUTY
A natural grain texture, deep V-grooves and realistic shadow lines provide the warmth and richness of all-wood soffit. A 5" exposure creates a feeling of openness, even in confined entryways. Choose from 13 classic colors, all with an elegant low-gloss finish.

PREMIUM VENTILATION
Fully vented SuperSpan panels make it easy to provide ample airflow to your attic. An advanced “lancing” design assures maximum visual appeal and full panel strength and rigidity.

DESIGN VERSATILITY
Use solid SuperSpan panels as vertical siding to add distinction at entryways, gable ends and other vertical accent areas.

EASY-CARE CONVENIENCE
SuperSpan is made from durable premium vinyl, so it won’t warp, rot or peel. It never needs staining or painting – just rinse occasionally with a garden hose to restore its like-new beauty.

PREMIUM QUALITY, BACKED BY WARRANTY
SuperSpan is made using premium materials and advanced manufacturing techniques. It’s fully backed by a strong lifetime limited warranty.*
