SUPERIOR PERFORMANCE IS INHERENT IN THE DESIGN

From the first glance, you may be drawn to Coventry for its elegant appearance, yet it’s also important to consider the siding’s durability and strength. How will it hold up after years of exposure to strong winds, pounding rain, extreme temperatures and other harsh outdoor elements?

Performance-engineered Coventry Siding incorporates essential design features to deliver outstanding protection for your home. Each panel is infused with rigidity and structural integrity to ensure crisp, smooth wall lines and a beautifully uniform appearance.

EXTRA-STRONG NAILING HEM FOR INCREASED STRENGTH

Coventry’s heavy-duty construction is fortified with a rolled-top nailing hem to provide secure wall attachment. This design enhancement increases the overall stability of the panel and ensures it holds firmly to the home’s exterior walls. In laboratory tests conducted according to ASTM guidelines, Coventry achieved hurricane-velocity wind resistance.

REFINED QUALITY AND STYLE

Once it’s installed, the finished look makes a substantial statement about the quality of your siding. With Coventry, wall lines will be straight with the panels lying neat and flat. The siding’s rigid construction and 1/2” panel projection also will minimize any imperfections in the exterior walls, resulting in a markedly refined appearance.

Coventry by Alside Vinyl Siding

Consult the VSI website at www.vinylsiding.org for a current list of certified products and colors.
BUILT WEATHER-TOUGH
Coventry’s solid vinyl construction is built to withstand almost anything Mother Nature can dish out. Each panel is solid vinyl color through and through, so it won’t chip, flake and blister like painted surfaces and won’t rot or warp due to moisture. Unlike metal sidings, Coventry resists denting from impact, maintaining an attractive finish that will stand the test of time.

EASY CARE, EASY CLEAN
A longtime favorite for its easy-care features, Coventry vinyl siding recreates the beauty of freshly painted wood siding, but without the time-consuming upkeep. There’s no need for scraping or repainting. A simple rinse with a garden hose will remove most airborne dust and dirt and restore the like-new beauty.

A VALUE-ADDED INVESTMENT
For many people, a home is a substantial investment, as well as a source of personal pride. Coventry Siding will provide a beautiful, low-maintenance finish while also increasing the value of your home.

A VARIETY OF PROFILE DESIGNS
Coventry offers a wide variety of options when designing your home’s exterior. With five profiles to choose from and a full selection of decorative trim and accessories, you can create a custom design that’s a clear reflection of your personal taste.

QUICK SPECS:
- 0.042” panel thickness
- Rolled top nailing hem
- Available in Double 4”, Double 4” Dutch Lap, Double 5”, Double 5” Dutch Lap, and Triple 3” clapboard

DID YOU KNOW? For nearly two decades, vinyl siding has been a leading choice for exterior cladding in every single-family home. This trend helped sustain not only its beauty, flexibility and ease of upkeep, but also from the fact that vinyl siding adds value to homes.

DARKER COLORS STAY TRUE!
Our darker Coventry colors stay luxurious and true, thanks to ChromaTrue technology. This advanced copolymer compound provides Coventry with long-term color stability and better performance on darker colors.

THE ART OF THE MIX
There’s no need to settle for siding and trim that almost match. Alside’s ColorConnect® Color Matching System offers smart solutions for every design approach. ColorConnect standards have been painstakingly applied to select Alside products to ensure you are making tasteful color choices with enduring aesthetic value and the custom look you desire.

Whether it’s a rich color that draws your eye to an interesting architectural detail, or neutral hues applied to a historic home, the Alside ColorConnect Color Matching System helps you beautifully match the color of your siding with other Alside exterior products and accessories.

AN ECO-FRIENDLY CHOICE
As an environment-friendly product with a long service life, vinyl siding is environmentally responsible in several ways. In addition to conserving wood and other natural resources often used for building materials, vinyl siding helps reduce the deposit of paint, stain and maintenance-related materials into the solid waste stream because it never needs to be painted.

A LEGACY OF EXCELLENCE AND INNOVATION
The Alside vinyl siding collection features unique features to provide a high-quality finish, including:<br />
- A Legacy of Excellence and Innovation – for over 70 years, the heritage of Alside has been passed down from generation to generation, ensuring that our products are of the highest quality.<br />
- The first step in the creation, renovation, and preservation of your home involves choosing the right products. In Coventry, you’ve opened the door to the Alside vinyl siding collection – a premier union of heritage and innovation merged with best-in-class materials and future-forward engineering. Over 70 years of industry excellence stand strong as our legacy of leadership and trust, where customer happiness always comes first.
