

# Hopper Window

*Hopper Windows offer a crisp, clean design that will accentuate both the interior and exterior style of your home.*

*Hopper Windows open inward and are an ideal choice for basements, garages and attics as well as areas with limited space that need ventilation. Engineered to provide exceptional beauty, performance and energy efficiency, these windows allow you to enjoy the warmth and beauty of natural light from the comfort of your home.*

- Fusion-welded mitered corners for strength and durability
- Durable and solid, multi-chambered frame won't chip, peel, crack or warp
- Insulated glass unit\* featuring double-strength glass and Foam Spacer System
- Barrier-fin weatherstripping
- Optional ClimaTech® glass package
- Available in white and beige
- Rollform full screen
- Lifetime transferable warranty† and optional glass breakage warranty
