SUPERIOR PERFORMANCE IS INHERENT IN THE DESIGN
From the first glance, you may be drawn to Coventry for its elegant appearance, yet it’s also important to consider the siding’s durability and strength. How will it hold up after years of exposure to strong winds, pounding rain, extreme temperatures and other harsh outdoor elements? Performance-engineered Coventry Siding incorporates essential design features to deliver outstanding protection for your home. Each panel is infused with rigidity and structural integrity to ensure crisp, smooth wall lines and a beautifully uniform appearance.

EXTRA-STRONG NAILING HEM FOR INCREASED STRENGTH
Coventry’s heavy-duty construction is fortified with a rolled-top nailing hem to provide secure wall attachment. This design enhancement increases the overall stability of the panel and ensures its ability to hold up after years of exposure to strong winds, pounding rain, extreme temperatures and other harsh outdoor elements.

REFINED QUALITY AND STYLE
Once it’s installed, the finished look makes a substantial statement about the quality of your siding. With Coventry, wall lines will be straight with the panels lying neat and flat. The siding’s rigid construction and 1/2” panel projection also will minimize any imperfections in the exterior walls, resulting in a markedly refined appearance.

EXTERIOR TRIM, ACCESSORIES AND ACCENTS
Rooflines, corners, windows and door frames – some elements deserve special treatment. Enhancing these areas can give your home a custom finished look while letting your individual style shine through. Our Trimworks collection of decorative trim and accents, along with shutters and other ornamental panels, makes it easy to achieve a beautiful final look. All options are fully color-coordinated with Coventry Siding.

PEACE OF MIND

Coordinated Easy-Care Products

EXTERIOR TRIM, ACCESSORIES AND ACCENTS

Superior Quality and Style with Everyday Affordability
BUILT WEATHER-TOUGH
Coventry’s solid vinyl construction stands up to whatever Mother Nature can dish out. Each panel is solid vinyl color through and through, so it won’t dry shrink, blister, or peel even under extreme cold or heat due to moisture. Unlike metal sidings, Coventry remains dent-free from impact, maintaining an attractive finish that will stand the test of time.

EASY CARE, EASY CLEAN
A longtime favorite for its easy-care features, Coventry vinyl siding recreates the beauty of freshly painted wood siding, but without the time-consuming upkeep. There’s no need for scraping or repainting. A simple rinse with a garden hose will remove most airborne dust and dirt and restore the like-new beauty.

A VALUE-ADDED INVESTMENT
For many people, a home is a substantial investment, as well as a source of personal pride. Coventry siding will provide a beautiful, low-maintenance finish while also increasing the value of your home.

A VARIETY OF PROFILE DESIGNS
Coventry offers a wide variety of options when designing your home’s exterior. With five profiles to choose from and a full selection of decorative trim and accessories, you can create a custom design that’s a clear reflection of your personal taste.

QUICK SPECS:
- 0.042” panel thickness
- Rolled-up nailing hem
- 1/2” panel projection
- Available in Double 4” clapboard, Double 4” dutch lap, Double 5” clapboard, Double 5” dutch lap, and Triple 3” clapboard
- 21 contemporary colors

COLOR AND DESIGN INSPIRATION
Coventry’s full array of profiles and colors makes it easy to give your home a style all its own. Whether you prefer a subtle monochromatic color scheme or a classic two- or three-shaded exterior with contrasting accents, Coventry has everything you need to achieve your ideal finished look.

STANDARD COLOR COLLECTION

ARCHITECTURAL COLOR COLLECTION

DARKER COLORS STAY TRUE!
Our darker Coventry colors remain luxurious and true, thanks to ChromaTrue technology. This advanced copolymer compound provides Coventry with long-term color stability and better performance on darker colors.

THE ART OF THE MIX
There’s no need to settle for siding and trim that almost match. Alside’s ColorConnect® Color Matching System offers expert solutions for every design approach. ColorConnect standards have been painstakingly applied to select Alside products to ensure you are making tasteful color choices with enduring aesthetic value and the custom look you desire.

Whether it’s a rich color that draws your eye to an interesting architectural detail, or neutral hues applied to a historic home, the Alside ColorConnect Color Matching System helps you seamlessly match the color of your siding with other Alside exterior products and accessories.

AN ECO-FRIENDLY CHOICE
As a sustainable product with a long service life, vinyl siding is environmentally responsible in several ways. In addition to conserving trends and other natural resources often used for building materials, vinyl siding helps reduce the deposit of paint, stain and maintenance-related materials into the solid waste stream because it never needs to be painted.

A LEGACY OF EXCELLENCE AND INNOVATION
The first step in the creation, renovation and preservation of your home involves choosing the right products. In Coventry, you’ve opened the door to the Alside vinyl siding collection – a premier union of heritage and innovation merged with best-in-class materials and future-forward engineering. Over 70 years of industry excellence stands strong in our legacy of leadership and trust, where customer happiness always comes first.
